

**KING COUNTY HOUSING AUTHORITY  
REQUEST FOR BIDS  
The BLVD Heat Pumps**

**ADDENDUM #1**

Effective 5/14/2024, this Addendum #1 shall be considered part of the Request for Proposal Documents.

Included within this Addendum:

## The BLVD. Heat Pump Bid Walk Questions

1. Blocking was placed by siders, if blocks need to be moved coordination with siders will need to happen. Studs should not be in the way, but if it happens the winning contractor is not responsible for moving the blocking.
2. Gutters are to be moved by gutter contractor and are not the responsibility of the winning contractor, coordination of moving gutters will need to be communicated.
3. The office heat pump is being changed to same unit as in residents units, with power off the lighting circuit. It will be installed high on the wall near the change in ceiling height.
