Due to unforeseen circumstances, the King County Housing Authority is extending the Pre-Proposal Meeting and Questions Deadline of the above listed project.

The new schedule is as follows:

- **Pre-Proposal Conference will be held over Zoom on Tuesday, July 9, 2024 at 9:00 a.m. For an invitation, please reach out to daniellem@kcha.org or by calling 206-574-1200 no later than 8:00 a.m. on 07/09/2024.**
- **Questions will be due no later than 2:00 p.m. on Tuesday, July 9th, 2024 by emailing daniellem@kcha.org**

In addition, we would like to address one question we've already received:

Q: Are you looking for electrical services to comply with the new mandated NFPA 70B Electrical Preventative Maintenance?

A: *We are currently evaluating how a contracted vendor might support our in-house electricians in meeting the NFPA 70B Electrical Preventative Maintenance requirements. While we have not yet established a schedule for this work, we are interested in understanding the services you can offer in this regard.*

If your business provides these services under separate pricing, please include this information as listed on Attachment J: "Please provide a list of typical charges, fees, or services, which may be assessed and not included in the above."
